 Re Evans, in your letter to W.H.  
 E's criticisms are "dropped in  
 by the ears". He, himself,  
 says they are "minor" states  
 contributions will in any  
 event be within their hor-  
 izonal capabilities and in-  
 terests, and are always  
 welcome. O.R.R.'s function  
 and mission have been clearly  
 stated by you, and it  
 would appear to be inad-  
 visable to restate them  
 from the viewpoint of  
 budgetary decisions.  
 Cooperation within capabilities  
 should be stressed.

W.H. Evans
